

WELCOME TO SHARE NOW. YOUR PERSONAL FREEDOM.

We are the European market leader in free-floating car sharing. With SHARE NOW, you have access to 11,000 premium cars, in 16 major cities in 8 European countries. Within just one app we provide you personal freedom – for all your plans, short- and long-term. Learn more about SHARE NOW below.

Why use SHARE NOW?

It's the future of urban mobility. With our free-floating car sharing service, you don't have to buy or lease a car. Our cars are available around every street corner, easy to access via one app and the perfect addition to your personal mobility mix. Using car sharing helps our cities to reduce congestion, air pollution as well as shortage of parking spaces and making them more liveable.

Everything included:

You don't pay extra for parking, charging, fuel or insurance. Our rates are all-inclusive and are as flexible as your needs. No monthly fees, no commitments.

Like car rental, just better:

Whether you need a spontaneous ride home or a car for your weekend getaway: with our minute, hourly and daily rates you can rent our cars for up to 30 days!

Pre-booking:

Exclusively for daily rates! Pre-book a car and we'll deliver it to where you want it, when you want it! Easy as that.
